Job Description – Full Stack Developer (React + Node.js)

Position Title: Full Stack Developer
Experience Required: 1–3 years
Location: Office#4, 4th Floor, Dallas Centre, Knowledge City, Hyd-500032
Employment Type: Full-time
Joining: Immediate joiners preferred

About the Role

We are seeking a passionate and skilled **Full Stack Developer** with expertise in **React.js (frontend)** and **Node.js (backend)**. The candidate will be responsible for building scalable web applications, collaborating with cross-functional teams, and delivering high-quality solutions.

Key Responsibilities

- Develop and maintain web applications using **React.js** (frontend) and **Node.js / Express.js** (backend).
- Build and integrate **RESTful APIs** for web and mobile applications.
- Work with databases (**MongoDB, MySQL, PostgreSQL**) for data modeling and management.
- Write clean, maintainable, and efficient code following industry best practices.
- Collaborate with designers, product managers, and QA teams for smooth delivery.
- Debug and resolve technical issues across the full stack.
- Optimize application performance, scalability, and security.
- Stay updated with new technologies and contribute to continuous improvement.

Required Skills & Qualifications

- **1–3 years of hands-on experience** in full stack development.
- Strong proficiency in:
  - **Frontend:** React.js, Redux/Context API, JavaScript (ES6+), HTML5, CSS3.
  - **Backend:** Node.js, Express.js.
- Experience with **databases** (MongoDB preferred, SQL knowledge is a plus).
- Understanding of **REST APIs, JSON, and third-party API integrations**.
- Familiarity with **version control (Git/GitHub/GitLab)**.
- Knowledge of **cloud deployment (AWS / Azure / GCP)** and **DevOps tools (Docker, CI/CD pipelines)** is an advantage.
- Strong problem-solving, debugging, and analytical skills.
- Ability to work independently and within a team environment.

Soft Skills

- Excellent communication and collaboration skills.
- Quick learner with adaptability to new technologies.
- Strong attention to detail with a proactive mindset.
- Good time management and organizational skills.

Perks & Benefits

- Competitive salary based on experience.
- Exposure to exciting projects with modern tech stacks.
- Career growth opportunities with skill development.
- Friendly, collaborative, and supportive work environment.
- Flexible working hours
